
Land of Confusion

Genesis (1986)

I must've dreamed a thousand dreams
Been haunted by a million screams
But i can hear the marching feet
They're moving into the street.

Now did you read the news today
They say the danger's gone away
But i can see the fire's still alight
There burning into the night.

There's too many men
Too many people
Making too many problems
And not much love to go round
Can't you see
This is a land of confusion.

This is the world we live in
And these are the hands we're given
Use them and let's start trying
To make it a place worth living in.

Ooh superman where are you now
When everything's gone wrong
somehow
The men of steel, the men of power
Are losing control by the hour.

This is the time
This is the place
So we look for the future
But there's not much love to go round
Tell me why, this is a land of confusion.

This is the world we live in
And these are the hands we're given
Use them and let's start trying
To make it a place worth living in.

I remember long ago -
Ooh when the sun was shining
Yes and the stars were bright
All through the night
And the sound of your laughter
As i held you tight
So long ago -

I won't be coming home tonight
My generation will put it right
We're not just making promises
That we know, we'll never keep.

Too many men
There's too many people
Making too many problems
And not much love to go round
Can't you see
This is a land of confusion.

Now this is the world we live in
And these are the hands we're given
Use them and let's start trying
To make it a place worth fighting for.

This is the world we live in
And these are the names we're given
Stand up and let's start showing
Just where our lives are going to.

Terra de confusió

He estat somiant centenars de somnis
He estat perseguit per milions de crits
Però puc sentir els peus com caminen
Van marxant pel carrer

Ara, has llegit el diari avui?
Diu que el perill ha desaparegut
Però puc veure que el foc encara està
encès
Allà cremant en la nit

Hi ha massa homes, massa gent
Ficant-se en massa problemes
I no hi ha gaire amor al voltant
No pots veure que aquesta és una terra
de confusió

Aquest és el món on vivim
I aquestes són les mans que ens donen
Fes-les servir i comença a intentar
Crear un lloc on valgui la pena viure

Oh superhome, on ets ara?
Quan tot ha sortit malament
Els homes d'acer, els homes de poder
Ara mateix estan perdent el control

Aquest és el moment, aquest és el lloc
Així que mirem cap al futur
Però no hi ha gaire amor al voltant
Digue'm per què aquesta és terra de
confusió

Aquest és el món on vivim
I aquestes són les mans que ens donen
Fes-les servir i comencem a intentar
Crear un lloc on valgui la pena viure

Recordo que fa molt de temps
Quan el sol resplendia
Sí, i els estels brillaven
Durant tota la nit
I el so de les teves rialles mentre
t'abraçava amb força
Fa tant de temps

No tornaré a casa aquesta nit
La meva generació ho farà bé
No tan sols fem promeses
Sabem que mai no ho conservarem

Massa homes, hi ha massa gent
Ficant-se en massa problemes
I no hi ha gaire amor al voltant
No pots veure que aquesta és una terra
de confusió

Ara aquest és el món on vivim
I aquestes son les mans que ens donen
Fes-les servir i comencem a intentar
Crear un lloc pel qual valgui la pena
lluitar

Aquest és el món on vivim
I aquests son els noms que ens donen
Atura't i comencem a mostrar
Cap a on van les nostres vides
