**Universitat de Barcelona**, Gran Via de les Corts Catalanes 585, 08007 Barcelona, Espana ("the Licensee"), to cover the license of online editions of the Publisher's journals, including author rights for Open Access publishing, with effect from January 1, 2024.

### **1. Licensee Rights**

Upon receipt of payment, the Publisher agrees to provide the Licensee and its Authorized Users access to the Publisher's online journals, The Cold Spring Harbor Collection (CSHC), or portions thereof, consisting of current and retrospective years' publications of the Publisher's content, as set out in Schedule 1. This agreement grants access to the Publisher's online journals for educational, research, and personal use by the faculty, staff, students, alumni, and library patrons utilizing the Licensee's contiguous campus network. Distance learners, alumni, and other off-campus affiliates may access the Publisher's online journals if their Internet access is through the campus network and the Licensee has a process to validate Authorized Users.

The Licensee's Authorized Users may download and print articles for personal use and archive contents on their own personal computers. They may send one copy by e-mail, print, or fax to one person at another location for that individual's personal use. Facsimile images that are exact representations of the print pages or of printouts from the electronic database may be provided for interlibrary loan and distributed in paper, fax, or digital form consistent with copyright law. Libraries may include copies of the Publisher's digital content in local electronic course reserve systems limited to use by Authorized Users of current classes.

### **2. Limits of License**

Neither Licensee nor its Authorized Users may use any of the Publisher's online content in the provision of any product, publication, or other service offered for commercial sale. This includes the creation of custom textbooks for sale, reproduction of bibliographies in other works, or posting of any information on an open website which would allow downloading the Publisher's content into commercial sites or services.

The Publisher retains all copyright and intellectual property rights to the digital and print information provided under this Agreement, except as noted in Clause 9.1.

### **3. The Publisher's Obligations**

The Publisher will make its products available as defined in its promotional literature and to commercial service standards consistent with operation of an information service over the Internet and institutional networks.

The Publisher will ensure that it holds copyright and distribution rights for all Titles and other information provided as part of its online service.

### **4. Licensee Obligations**

The Licensee agrees to exercise reasonable precautions, according to common industry practices, to limit access to the Publisher's online journals. Licensee shall not be required to report such user information to the Publisher but will describe and document its User policies and practices upon request by the Publisher.

Licensee agrees to provide electronic security measures as feasible to ensure protection of the Publisher's data.

### **5. Warranties and Liabilities**

The entire liability of the Publisher, whether in contract, tort, by statute, or otherwise, to the Licensee and Authorized Users shall be the refund of any fees paid to the Publisher. In no circumstances will the Publisher be liable for damages including, without limitation, damages for loss of data or corruption of data, loss of programs, loss of business, goodwill, or other incidental, consequential or indirect losses of any nature arising out of the use, or inability to use, the Publisher's journal content online. The Publisher will not be liable for any losses arising from any errors, omissions, or other inaccuracies in or corruption caused in the Publisher's online journal content, whether caused by transmission processing or otherwise to the Titles provided online or otherwise made accessible.

### **6. General Terms**

This Agreement constitutes the entire understanding between the Publisher and Licensee. Each party affirms its signatory is authorized to agree to the terms of this Agreement. Neither party shall assign this Agreement without written consent of the other within 30 days' notice. Notice of changes in this Agreement shall be provided in writing at the addresses below.

### **7. Payment**
